Internet Complete

Eudora Email Setup

These instructions can be used to setup a new mail account, or to ensure that your current account is configured properly.

If you have any questions, please email <u>support@icnet.net</u> or call us at 405-236-4532.

Requirements:

- Eudora must be installed on your computer.
- Your username and password.
- An account with Internet Complete!.

Eudora Email Setup Instructions

Begin by opening Eudora. Click Tools, and select options, as shown below:

A box will open. Fill in the POP account with **your** email address. Under Real Name, enter your name as you would like it to appear to others. Type in your email address again under Return Address.
